# Foreword

This is the Agricultural Land Tribunal for Wales (“the Tribunal”) fifth annual report on its compliance with the Welsh Language Standards since the standards came into force on 30 March 2017. The focus of this report is the period from 1 April 2021 to 31 March 2022.

The Tribunal has two parts, the secretariat and Members. Both work together, during the appeal and claim process doing different tasks. The Members consist of:

- the Tribunal Chairperson i.e. the judicial lead;
- Deputy chairpersons; and
- Lay members, specialising in land drainage, land ownership and farming.

The tribunal, its members and decisions are independent from Government. The tribunal has several members with strong Welsh language skills and is able to convene a full panel (i.e. a legal chairperson and 2 lay members) that can hear and conduct a full hearing through the medium of Welsh for Agricultural Tenancy matters. Hearings for cases relating to Drainage matters can also be conducted in Welsh using simultaneous translation.

The secretariat is responsible for tribunal administration and deal with all telephone and written enquiries. They are civil servants employed by Welsh Government and form part of the Welsh Tribunals Unit, who are responsible for administering six devolved tribunals across Wales. The secretariat team have no members who are fluent in Welsh but are able to have assistance from other secretariats within the wider Welsh Tribunals Unit, when necessary. The Senior Operations Manager and the Head of Welsh Tribunals are fluent Welsh speakers.

### Service Delivery Standards

The tribunal ensures compliance with the service delivery standards by:

- All documents produced for the public are available in Welsh and English, including application forms and guidance documents. English versions of documents and forms produced by the Tribunal also include a standard sentence stating that they are available in Welsh, and that the public can submit information to the Tribunal in Welsh.
- Making sure there is an awareness that provision is in place to enable Welsh language hearings to be held and that an attendee can use Welsh in a hearing.

## Policy Making Standards

The Tribunal exercises its statutory functions as set out by its governing legislation. The Tribunal does not have a remit to develop policy. However, we consider the impact of our operational decisions on the delivery of our services in Welsh.

## Record Keeping Standards

The Welsh Language Commissioner's Compliance Notice for the Tribunal details the Service Delivery, Policy Making and Record Keeping Standards that the Tribunal must comply with. The Compliance notice has been published on the Tribunal's website: [www.agriculturallandtribunal.gov.wales/sites/agriculturalland/files/2019-05/alt-welsh-lang-standards-compliance-notice-en.pdf](http://www.agriculturallandtribunal.gov.wales/sites/agriculturalland/files/2019-05/alt-welsh-lang-standards-compliance-notice-en.pdf). We keep a record of the number of complaints we receive, if any, relating to our compliance with the Standards.

## Complaints

The Tribunal received no complaints about the implementation of the Standards during the reporting period.

## Forthcoming Work 2022-2023

1. Develop an action plan for promoting and encouraging the public to use the medium of Welsh when interacting with the Tribunal.
2. The Tribunal will be conducting a skills audit of the Tribunal Legal and Lay members. This is to review our records for those able to conduct a Welsh language Tribunal hearing through the medium of Welsh.
3. Work will also be carried out to design a system of self-regulation regarding compliance to the Welsh language standards for the Tribunal.
4. A guidance document will also be produced, providing the Tribunal with instructions on how to access both written and simultaneous translation, and on facilitating bilingual meetings through video conferencing platforms.
